

THE MOVEMENT TO BEAT RARE CANCERS

MEMORIAL SLOAN KETTERING | EQUINOX

Cycle for Survival is the official rare cancer fundraising program of Memorial Sloan Kettering Cancer Center (MSK). Each year, we host team stationary-cycling events across the country to bring together our community of patients, survivors, caregivers, doctors, scientists, and celebrate the progress we make possible.

Cycle for Survival is proud to celebrate its

18TH
YEAR
OF EVENTS IN
2024.

EQUINOX

is the founding partner of Cycle for Survival.

goes to innovative rare cancer research at **MSK**.

The Cycle for Survival community is determined to change how people with a rare cancer are diagnosed and treated worldwide by **funding research that could lead to new and better treatment options.**

Cycle for Survival has raised more than

\$345,000,000+

since 2007, making a direct and powerful impact on rare cancer research and care worldwide.
