

MEMORIAL SLOAN KETTERING | EQUINOX

# THE MOVEMENT TO BEAT RARE CANCERS

Cycle for Survival is the official rare cancer fundraising program of Memorial Sloan Kettering Cancer Center (MSK). Each year, we host team stationary-cycling events across the country to bring together our community of patients, survivors, caregivers, supporters, doctors, and scientists, and to celebrate the progress we make possible.

Cycle for Survival is proud to celebrate its

**20<sup>TH</sup>  
YEAR  
OF EVENTS IN  
2026.**

**EQUINOX**

is the founding partner of Cycle for Survival.

**100%  
RAISED**

goes to innovative rare cancer research at [MSK](#).

The Cycle for Survival community is determined to change how people with a rare cancer are diagnosed and treated worldwide by **funding research that could lead to new and better treatment options.**

Cycle for Survival has raised more than

**\$412,000,000+**

since 2007, making a direct and powerful impact on rare cancer research and care worldwide.

## 2026 DATES AND LOCATIONS

In January, February and March 2026, we're riding in cities across the country — plus a new stop in Philly — to fuel rare cancer research at MSK and celebrate all we've achieved together. [Learn more about the 2026 events.](#)
